

Armin Van Buuren, Golddigger

Here i am
Standing naked
Thats what she said
I dont mind as long as I get what I want
She's heven sent
I take this subway
You're always sorry
When you tell me
What youre feeling
Ooooh she's so special(x2)
On and on and on she cries to men
On and on she makes me feel so special
She's a devil in disguise
She's a golddigger
Well I dont mind
Don't really care
This is the end
It will be the last time (well I dont mind)
You're always begging for salvation
But you don't have selfrespect
Ooooh she's so special
Ooooh so fucking special
On and on and on she cries to men
On and on she makes me feel so special
She's a devil in disguise
She's a golddigger
Well I dont mind
Don't really care
I don't wanna be inside of you,
I don't wanna be afraid of you
It takes me knowing and leves me nothing
Oooh she's so special
You're so fucking special
On and on and on she cries to men
On and on she makes me feel so special
She's a devil in disguise
She's a golddigger
