

Armin Van Buuren, Never Say Never

Stay with me
Won't you wait for me
Care for me
And never say never

Love
You're in my flesh and bone
Where ever you go I'm home
I'll follow you

You're in my head
In my heart
In my soul
Like the air I breathe

You're in my head
In my heart
In my soul
Like the air I breathe

Yes you're my favourite need

I'll follow you
I'll follow you

When everything seems lost
I'm stuck and falling down
You will guide me home
So promise me

You'll stay with me
Won't you wait for me
Care for me
And never say never

No never say never again
No never say never again
