

# Armor For Sleep, Car Underwater

Believe the news, I'm gone for good.  
Call off the search, no one will know that I'm down here  
Believe the note I left for you  
You can't turn back the clocks, you can't pull me up from here, so don't try

I'm in a car underwater with time to kill, thinking back I forgot to tell you this  
I didn't care that you left and abandoned me, what hurts more is I would still die for you.

Make time slower, give me longer.  
It's too late for me, no one will know that I'm down here.  
And believe your dreams of me sinking  
so far, below, you can't pull me up from here so don't try.
