

# Armor For The Broken, A Boy Called Never

Take these hands that you call pain  
but don't show your teeth  
breathe mankind breathe  
cover up your eyes so the sun won't burn them up  
hit the deck the water is seeping through the floor  
I think We've lost our touch  
promise me you'll make it out alive  
if lying is choking then they've choked us from the start  
breathe mankind breathe
