Armored Saint, Aftermath

So let it be felt Aftermath Shades of hell I set them free But struggle Eternally

It's too late now To turn the clock around Frozen world outside Made by foolish pride

Time to mend Your life begins Breathe for me Make me feel I'm not alone

Rowen
Final stunt
Will the blood shed
End at once
Rowen
Is no doubt
Life in limbo
Is our home now

Rowen
Final stunt
Will the blood shed
End at once
Rowen
Is no doubt
Life in limbo
Is our home
