

# Armored Saint, Dropping Like Flies

Any minute the sparks will fly  
At that point you will see fear in their eyes  
It don't take much to send them crawling back  
Just a harsh word then you attack

Gather up and  
Take a sigh  
See them dropping, Dropping like flies  
Find revenge as Sweet as pie  
See them dropping, Dropping like flies

Some call them noble but I say they're scum  
Put them in control see what you become  
No excuses for lack of brains  
You had your chance now you can't complain

Gather up and  
Take a sigh  
See them dropping, Dropping like flies  
Find revenge as Sweet as pie  
See them dropping, Dropping like flies  
See them dropping, Dropping like flies

Dropping  
Smashing  
Dying  
Down

Can't you see 'em up there  
Up on their hill so high  
Close enough for gunfire  
Shoot 'em down to size  
Long way down

Gather up and  
Take a sigh  
See them dropping, Dropping like flies  
Find revenge as Sweet as pie  
See them dropping, Dropping like flies
