

Armored Saint, Long Before I Die

You got yours
Baby I got mine
We just can't seem to make ends meet
Don't you realize when jumpin' in the water
You're gonna get wet past knee deep

Give in
Give and take
Taken by mistake

Sooner or later deceit's gonna hit
Lay your cards on the table and draw
From now on
I call the shots
Long before I die
Long before I die

Give in
Give and take
Taken by mistake

From now on
I call the shots
Long before I die
Long before I die
