

# Armored Saint, Long Before I Die

You got yours  
Baby I got mine  
We just can't seem to make ends meet  
Don't you realize when jumpin' in the water  
You're gonna get wet past knee deep

Give in  
Give and take  
Taken by mistake

Sooner or later deceit's gonna hit  
Lay your cards on the table and draw  
From now on  
I call the shots  
Long before I die  
Long before I die

Give in  
Give and take  
Taken by mistake

From now on  
I call the shots  
Long before I die  
Long before I die
