

Army Of Anyone, Non Stop

We pledge allegiance
to a
a land that's empty
and allegiance to a guy
that's unrelenting
they really let us down
we don't even know how
it's complicated
where the lies are thick
start to eb and we're sick of it
they really hold us down
more than more somehow
it's acrobatic what the country say
even from the leadership

NON!
stop
stop the manipulation
in the higher nothing
Non
stop disintegration
in the land of longing
Wasting time

We stand accusing
but the effects are proven
we stand accusing
but it's not a drug we're losing

they really let us down
we don't even know how
it's complicated
where the lies are thick
it starts to feel like a sinking ship
they really hold us down
more than more somehow
we're such a dope from the lies they spit
we're losing lives
cause they're full of shit

NON!
stop
stop the manipulation
in the higher nothing
Non
stop disintegration
in the land of longing
Wasting time
