

Army Of Anyone, Stop Look And Listen

I used to think that we could drink
from the puddle of pure and simple life
now I know that we can't go
two or three days without a pointless fight
I truly think that we should reposition
The cold reality of what we're thinking

Stop
look
and listen
Maybe that's the way that we'll know
stop
look
and listen
Maybe that's the way that we'll know

Just a break
we could shrink
to something that might not make it back
In the end that we mend
Maybe we can finally make it right
I truly think that we should reposition
The cold reality of our condition

Stop
look
and listen
Maybe that's the way that we'll know
stop
look
and listen
Maybe that's the way that we'll know

Maybe this time we can heal our wounds
Cause if we don't we'll just make some room
We've got a long way to go
It just takes a moment to kiss goodbye
it just takes a moment to say goodbye

Stop
look
and listen
Maybe that's the way that we'll know
stop
look
and listen
Maybe that's the way that we'll know
Stop
look
and listen
Maybe that's the way that we'll know
stop
look
and listen
Maybe that's the way that we'll know
