

Army Of Emus, Squirrel Song

They're running loose in the street
They're everywhere - under my feet
Lookout! There's one! Don't run it over...
This is fun, they're coming closer!

It sees a nut. Go get that nut.
Get it fast, tut tut tut tut!

I think he's a funny little guy
He's so cute 'till he makes you cry
Sometimes he'll bite
So treat his right
If you don't he'll tell his family
Look, they're coming... Eeee!
