

Army Of Lovers, Blood In The Chapel

Passion pour moi
Poison pour toi
Passion pour moi
Poison pour toi

'Cause there's blood in the chapel
Nails from the wall
Demons are having a ball
Blood in the chapel
Thorn in my side
Driving your soul open wide

Fight the enemy
Mass insanity
Fight the enemy
Temple of doom
Magic carpet ride
My skin petrified
Magic carpet ride
Flash on a broom

Shout the magic number
Swing the sword where I nurse
Mantra for a rebel with a curse

Cause there's blood in the chapel
Nails from the wall
Demons are having a ball
Blood in the chapel
Thorn in my side
Driving your soul opened

Be or not to be
Catch the entity
Be or not to be
Trapped in a box
Pancake in my face
La Dom on the bass
Pancake in my face
Trapped like a fox

Shout the magic number
Swing the sword where I nurse
Mantra for a rebel with a curse

Cause there's blood in the chapel
Nails from the wall
Demons are having a ball
Blood in the chapel
Thorn in my side
Driving your soul open wide
