

Army Of Lovers, Like A Virgin Sacrificed

Like a virgin sacrificed

Like a goddess she arrived

Guarded by the sphinx

Valley of the kings

Like a virgin sacrificed

River deep mountain high

Like an angels passing by

Sacred crocodile

Kingdom on the Nile

Like a virgin sacrificed

The king has crossed the secret canyon

He travels with a fresh companion

Holy bride the Hebrew casting

Queen of cat the everlasting

Pampered in the latest fashion

Young and slim with deadly passion

Golden mask on royal faces

Pyramid her last oasis

Like a virgin sacrificed

Like a goddess she arrived

Guarded by the sphinx

Valley of the kings

Like a virgin sacrificed

River deep mountain high

Like an angels passing by

Sacred crocodile

Kingdom on the Nile

Like a virgin sacrificed

Temple to the goddess Isis

Priesthood in a state of crisis

Locust and the plague ascension

Egypt needs an intervention

Catastrophe the call is urgent

Sermon to the holy virgin

Golden mask on royal faces

Pyramid her last oasis

Like a virgin sacrificed

Like a goddess she arrived

Guarded by the sphinx

Valley of the kings

Like a virgin sacrificed
