ArrDee, LOSER

Fuck, I keep seein' this guy I'm sick of this kid, bruv I fuckin' hate him bruv, so annoyin', dickhead You know what it is? It's like hah

What a loser, when's he gonna lose? How much more is he gonna do? Why's he always got a point to prove? Like (Pfft), have you seen the way he moves? Bruv, he's gonna lose soon, he's a loser Boy, I can't wait until he lose, fuckin' loser Anyone could do what he do I could be in his show, it wouldn't be an issue Everybody needs to move on from this shit, you a hater Always winnin', like, when's he gonna lose?

Who gassed this kid to think his tracks are sick? Give him plaques and shit, and let him mack, so lit (Prick) He wouldn't have no chicks without that blue tick He ain't bad, he's a prick and he's five foot six Always breathin' down the mic' every time he spits (Ah, ah) Proper cringe to my core every time he talks Kind of kid who robs stores back in primary school (Tramp) Little BTEC Aitch, at least Aitch is tall (Ha) He ain't won no awards, can't wait to see an end to him Imagine bein' friends with him (Fuck that) If I was his mate, I'd tell him straight, "You ain't meant for this" (Nope) You've had your little shine, now, you should make amends with it Gettin' on my last nerve He ain't got bars, he just parties in glass birds Flies 'round the world first-class

Who's he gonna lose?

Little one hit wonder, extra small jumper How the scene let him cut through is a blunder Chavvy as they come, bet his missus is a munter And he only blew from the magic that his mum done Only went viral 'cause of the TikToks Can't afford a bust down, look at his wristwatch He ain't got drip, that's why his top's always ripped off The skinny little twig, he should be keepin' that shit on
