

Arrested Development, Honeymoon Day

Yeah yeah woo woo

It's ya charming one ranked at number one
The one you know to go to When you need some lovin' to come
(rrah)
And even though I'm just A hop & a skip and a jump
Away baby sometimes We role play the funk (uh)
yo secret thing like a one night fling
that just happened to be married to you and
gave you a ring so no guilt just pleasure
so much dat it's known to tilt the measure
yo touch has been known to ease my pressure
oh my God!
it's so incredible the way he shaped your bod
ingenious mixing soft wit hard
little sweet little heat spicy hot
gotta a lot a seeds wanna put in yo sod
I can't see your face If ya feel me just knod
Girl yous da picket fence house and the yard
da picket fence house and the yard
hu huhhhh

Girl just take off yo socks Let me lick on yo feet
I'll rub yo body & watch you roll yo eyes to the ceiling
Won't you lay on down Let my face be yo linen
C'mon and sho me yo ways This is our honeymoon day
We've been waiting for this day
Let's just free our bodies like the last day of living
girl we can be real naughty there's no need for forgiving
Won't ya dance for me Let my face be your mirror
C'mon and sho me yo ways This is our honeymoon day
We've been waiting for this day

Check it out
I told yo Mama don't wait up Don't check up on us
Don't call we handled it all I'm ready to bust
& I'm really hoping yo daughter can handle my lust
you done had yo chance now that land is handed to us
pop's knows how it goes shewt any man does
fine daughter like his can't afford to miss love
& I'm a give it to her sho nuff without a flub
give it her like a fat man giving himself grub
You think we waited for nothing my bloods pumping
needs go to where it's needed the most
relieve something shewt certain parts of me resemble a mule
stiff and stubborn it's like I'm Rosa Parks on the stool
(rrrgh)
We going all out hittin' the balls out
Coming deep from the soul Like a Lou Rawls shout
People next door screamin who let the dogs out
Man it's our honeymoon we here to knock the walls out

Girl just take off yo socks Let me lick on yo feet
I'll rub yo body & watch you roll yo eyes to the ceiling
Won't you lay on down Let my face be yo linen
C'mon and sho me yo ways This is our honeymoon day
We've been waiting for this day
Let's just free our bodies like the last day of living
girl we can be real naughty there's no need for forgiving
Won't ya dance for me Let my face be your mirror
C'mon and sho me yo ways This is our honeymoon day

We've been waiting for this day

When I say true you say love
True (love) true (love)
You got a wedding ring (put it up put it up)
You wore ya bling bling (throw it up throw it up)
Oh yeah it's on baby I've waited for this so long
Oh yeah it's on baby when I hang up the phone I'm gone!
We gonna bail collect that mail let's go to the hotel and
Skip the reception girl lets head to the limo
Tinted window hard to find like Nemo
Real Cancun real honeymoon like woo
You can find us on the beach you know
I'm in heaven daily cuz I'm lovin this the physical bliss
Come here baby give me a kiss

Girl just take off yo socks Let me lick on yo feet
I'll rub yo body & watch you roll yo eyes to the ceiling
Won't you lay on down Let my face be yo linen
C'mon and sho me yo ways This is our honeymoon day
We've been waiting for this day
Let's just free our bodies like the last day of living
