

Arsenium, Rumadai

Verse:

Hello, I'm back
with a ruma ruma ruma track
sa zburam cu totsî pe luna
the rythm of the night is ruma ruma
you and I, we gonna party till the morning light
It's alright, cause we never say goodbye

Refrain:

Everybody dance dance dance in the disco
rumadai-dai, ruma ruma rumadai
I wanna take you from Paris to San Francisco
I feel so high ruma rumadai
Everybody dance dance dance in the disco
rumadai-dai, ruma ruma rumadai
I wanna take you from Paris to San Francisco
you and I ruma rumadai

Verse:

Bonjour, l'amour,
I'll take you on a long sejour
Hola, que tal Maria
You turn me on like sweet Sangria
you and I, we gonna party till the morning light
It's alright, cause we never say goodbye

Refrain:

Everybody dance dance dance in the disco
rumadai-dai, ruma ruma rumadai
I wanna take you from Paris to San Francisco
I feel so high ruma rumadai
Everybody dance dance dance in the disco

I wanna take from Paris to San Francisco
you and I ruma rumadai

Brigde:

Hello Jenny, Hello Joe
Now it's time to start the show and
one step left, one to the right
moving up and down in the middle of the night
Screaming out for more and more
It's fire on the dance-floor

Refrain:

Everybody dance dance dance in the disco
rumadai-dai, ruma ruma rumadai
I wanna take you from Paris to San Francisco
I feel so high ruma rumadai
Everybody dance dance dance in the disco
rumadai-dai, ruma ruma rumadai
I wanna take you from Paris to San Francisco
you and I ruma rumada
