

# Art Rush, First

My first orgasm was in the Borders bathroom on level 4  
I was thinking about Chloe  
I was just eleven  
Did not know what I was doing  
Did not know what was happening  
In fact I thought I was gonna die  
When I saw myself with my eyes For the first time  
For the first time

My first orgasm at the movies  
was at Macquarie  
Greater Union Cinema 8  
Far left in the back row  
behind the curtain  
Girl and I were necking  
One thing soon became another  
We were watching The Interpreter  
I think I really loved her

The shiny things we idolised  
The way we laughed and sympathised  
Our little money on the rise  
The beauty that we synthesized  
Lonely lows and social highs  
Gorgeous girls and pretty guys  
The saddest glimmer in her eyes  
We grew up here more than we might realise

This is our real lives
