

Artimus Pyledriver, Dixie Fight Song

I learned to swim in a river
My Daddy taught me to fish
When I get down, I drank that ol' whiskey
Best believe all them fools seein' how I live

I'm grown, and own a new mantra
Sun set another day for me to bleed
I guess I'll keep on a runnin'
Beats the fuck outta watchin'
The hard-headed breed

Well lemme tell ya friends
We're burnin' through the night again
I feel the change, it cant be long

Ahh Hell
The Dixie fight song
