

# Artrosis, And I Will

Touch me and I'll fly up over you like rainbow  
Take all you want  
Let the world spin with the colours of your sounds  
Touch me and I'll  
Unseen glitter closes my eyes again  
Brightens up  
Let the world spin with the colours of the night  
Touch me and I'll  
Touch me and I'll ...  
Let the world spin  
Unseen glitter...  
Touch me and I'll...
