

# Artrosis, Unreal Story Part I

I'm your flower and shadow  
I blossom and fade  
Quiet of bliss governs  
My mouth - red  
Silver fog surrounds me  
You're night and she's shadow of the earth  
Along which I pace  
Unreal world  
Unreal we are  
Unreal story  
I painted pictures with my tears  
Like passing days  
Unreal people  
Unreal events  
Unreal we are
