

As It Stands, Ninth Life

What else could go wrong today? another speeding ticket, another fine, more things that I can't pay

But I'm thinking is your vision of my life keeping you awake at night? because I don't want to let my
from your arms

I'm looking at you and nothing's changed not the same old shit of changing around Just to fit in the

My credit card is due my phone bill is two months late my homework's not done And I feel overwhe

And I'm thinking is your vision of my life keeping you awake at night? because I don't want to let my
