

# As Tall As Lions, Acrobat

Tonight,  
Pretend you're an acrobat  
And you're being thrown  
On top of the world

Do you still wish you were beautiful?  
Because you will always be beautiful...

Tonight,  
Pretend you're a cigarette  
And you're being smoked  
By a picturesque girl

Do you still wish you were beautiful?  
Because you will always be beautiful...

And you will always be beautiful,  
You will always be beautiful
