

As Tall As Lions, Maybe I'm Just Tired

If love comes your way,
don't be afraid.
Unlock the box your heart's encased.
Hope it won't change
and beware of the games
that she'll want to start playing.
(Oh lately babe
I stay awake thinking this life
gets lonely.)

Well maybe I'm just scared,
scared to let you go.
(I want you to know,
right from hello,
your love just kept me wondering.)
Well maybe I'm just tired,
tired of never knowing.

But I know i'm not good enough
I know i'm not good enough for you.
Yeah I know i'm not good enough
I know I'm not good enough for you.

If I can be saved,
show me the way.
Help me help myself baby.
Don't be confused,
our love is true.
Just tell by the way I'm looking at you.

Maybe I'm just tired,
tired of never knowing.

'Cause I know i'm not good enough
I know i'm not good enough for you.
Yeah I know i'm not good enough
I know I'm not good enough for you

But I know I'm not good enough
I know i'm not good enough for you
Yeah I know i'm not good enough
I know i'm not good enough for you
