

Ascension Of The Watchers, Evading

Are my dreams a sign?
Are my dreams just you in disguise?
Will this heart find?
Will this heart be denied?
Endlessly I still search,
Endlessly, forever onward?
Are my prayers heard?
Are my prayers meaningless words?
My God! Hear my prayer!!
This young heart is scared,
Scared by a fate that we share.
Visions of you unclear,
Existence of you I should fear.
Are my prayers heard?
Are my prayers empty words?
My God! Hear my prayer!
Oh my lord, can't you hear me?
