

Aselin Debison, Lazy Days

It's Sunday morning
My body just won't go
I'll shower, put on my makeup
Hoping you won't show
I'm sittin' here watchin' TV
But soon all starts to drift away
Oh
Lazy days
Sittin' around doing nothing
Now and then
Here or there like that or something
All my silly worries
Slowly start to lift
I'm in no hurry
I've got no bone to pick
Just wanna think about friends and family
And all the things I love to do
Like play guitar
Lazy Days
Sittin' around doing nothing
Now and then
Here or there like that or something
Lazy Days
Sittin' around doing nothing
Sometimes, I get locked in a daydream
But to tell you the truth, I don't wanna' wake up

Lazy Days
Sittin' around doing nothing
Now and then
Here or there like that or something
Lazy Days
Sittin' around doing nothing
Now and then
Here or there like that or something
