

# Aselin Debison, Thank You (For Breaking My Heart)

I cried, so hard, the day you left... Yeah  
I thought it was the end of the world, the end of the world as I knew it  
But it's a funny thing  
How sometimes things aren't what they seem  
Thank You  
4 breakin' my heart  
Coz if you never left  
I'd of never met someone better  
Aren't you clever boy?  
I really owe you one for what you've done  
From the bottom of my heart

Thank You  
I saw you in the hall  
But you just walked on by  
You made me feel so small  
Hey what are you, the silent type?  
But it's a funny thing  
How certain people change

Thank You  
4 breakin' my heart  
Coz if you never left  
I'd of never met someone better  
Aren't you clever boy?  
I really owe you one for what you've done  
From the bottom of my heart

Thank You  
Funny how things just work out  
When you least expect it  
Funny how things just work out  
If you let it  
Thank You  
4 breakin' my heart  
Coz if you never left  
I'd of never met someone better  
Aren't you clever boy?  
I really owe you one for what you've done

Thank You  
4 breakin' my heart  
Coz if you never left  
I'd of never met someone better  
Aren't you clever boy?  
I really owe you one for what you've done  
From the bottom of my heart  
From the bottom of my heart  
From the bottom oh my heart

Thank You  
Thank You  
Thank You  
Thanks for everything
