

# Ash, Gabriel

Well I guess I gotta go now,  
Saying farewell until the next time,  
But I know we'll meet again.  
Seem so early to be leaving,  
Feel so tired,  
Just want to sleep now,  
Fade away.

Gabriel,  
Am I finished,  
Trapped inside,  
You got me in it.  
Is it over in a minute,  
Gabriel.

Gabriel,  
Am I finished,  
Trapped inside,  
You got me in it.  
Is it over in a minute,  
Gabriel.

Hear them in the distance,  
Singing so softly,  
Oh so peaceful,  
Calling me on.  
Being drawn in ever closer,  
Down towards the cool calm river,  
I can hear their song.

Gabriel,  
Am I finished,  
Trapped inside,  
You got me in it.  
Is it over in a minute,  
Gabriel.

Gabriel, I am finished,  
Trapped inside,  
You got me in it.  
Is it over in a minute,  
Gabriel.  
Until the next time.
