

# Ash, Shinning Light

Roman candles that burn in the night  
Yeah you are a shining light  
You lit a torch in the empty night  
Yeah you are a shining light  
Yeah you light up my life

You have always been a thorn in the side  
But to me you're a shining light  
You arrive and the night is alive  
Yeah you are a shining light  
Yeah you light up my life

We made a connection  
A full on chemical reaction  
But by dark divine intervention  
Yeah you are a shining light  
A constellation once seen  
Over Royal David's city  
An epiphany, you burn so pretty  
Yeah you are a shining light

You are a force you are a constant source  
Yeah you are a shining light  
Incandescent in the darkest night  
Yeah you are a shining light  
Yeah you light up my life

We made a connection  
A full on chemical reaction  
But by dark divine intervention  
Yeah you are a shining light  
A constellation once seen  
Over Royal David's city  
An epiphany, you burn so pretty  
Yeah you are a shining light

These are the days you often say  
There's nothing that we cannot do  
Beneath a canopy of stars  
I'd shed blood for you  
The north star in the firmament  
You shine the most bright  
I've seen you draped in an electric veil  
Shrouded in celestial light

We made a connection  
A full on chemical reaction  
But by dark divine intervention  
Yeah you are a shining light  
A constellation once seen  
Over Royal David's city  
An epiphany, you burn so pretty  
Yeah you are a shining light  
Yeah you light up my life  
Yeah you are a shining light  
Yeah you light up my life
