

# Ash, Things

Hey

Well, talk to me  
Whisper in my ear  
Be quiet  
Don't let anyone else hear [x2-all]

[Chorus:]  
Don't you think they want me for it?  
Can't you see they arrested me for it?  
I just hope they don't need me for it  
Birds and bees will soon be falling now  
We found out  
We found out  
We found out

Wrong direction  
Silly alien  
Made a promise  
To a young man [x2-all]

[Chorus]

We all love  
We are not proud of that  
We all wish we had a silly hat [x2-all]

[Chorus without we found out.]

Johnny and Clyde will dance with me for it  
Sarah and Eileen would kiss me for it  
Sue and Joanne will kill me for it  
Richard and Larry will pay a lot for it  
Malcolm and Alan might have drugged me for it  
Mum and Dad will love me for it
