Ash, Things

Hey

Well, talk to me Whisper in my ear Be quiet Don't let anyone else hear [x2-all]

[Chorus:]
Don't you think they want me for it?
Can't you see they arrested me for it?
I just hope they don't need me for it
Birds and bees will soon be falling now
We found out
We found out
We found out

Wrong direction
Silly alien
Made a promise
To a young man [x2-all]

[Chorus]

We all love We are not proud of that We all wish we had a silly hat [x2-all]

[Chorus without we found out.]

Johnny and Clyde will dance with me for it Sarah and Eileen would kiss me for it Sue and Joanne will kill me for it Richard and Larry will pay a lot for it Malcolm and Alan might have drugged me for it Mum and Dad will love me for it
