

Ashanti, Leaving (always on time pt. 2)

If you were me, what would you do?
Always a lie and never the truth
Now as for me, I'm movin' on
You'll always be, my baby
Baby, I just gotta let you go for now
Thought I could take it for a while
Maybe you'll make it back around
Baby, I just gotta live my life for now
Can't see me changin' for awhile
Hope I could make it back around
Anything that I want I can get it, boy
You know you turn me on and on
That's why I switch my frame my mind
Of bein' there when you call, always on time
I'm lookin' to spread my wings and party
Everything and for everybody
Need my space, no time alone
It's like our hearts don't match no more
Still anything that you want
You can get it, boy
You know I still got love for you
In court I plead the 5th, my baby
Baby, I just gotta let you go for now
Thought I could take it for a while
Maybe you'll make it back around
Baby, I just gotta live my life for now
Can't see me changin' for awhile
Hope I could make it back around
When you was cheatin' me you probably thinkin'
I won't sense a thing
But love got funny ways of catchin' up to lies
And your lies can't look me straight in the eyes
I'm not surprised
That you can hurt me, baby
Though why me, baby?
Just let me breathe in, I'll fly freely
If you were me, what would you do?
Always a lie and never the truth
Now as for me, I'm movin' on
You'll always be my baby
Baby, I just gotta let you go for now
Thought I could take it for awhile
Maybe you'll make it back around
Baby, I just gotta live my life for now
Can't see me changin' for awhile
Hope I could make it back around
Yo, yo
Why in the world would you wanna leave me, girl
Is there somethin' out there
That you feel is better than what's here at home
And I know a bitch can do bad on her own
You're not alone the way you hurt me, baby
Shit why me, baby?
I feel your pain a little
But I know that love is good and as long as I let you go
That you feel the need to come back to me, baby
Who else gon' hold you and sex you crazy
R U L E
Come on back and holla at me, baby
Baby, I just gotta let you go for now
Thought I could take it for a while
Maybe you'll make it back around
Baby, I just gotta live my life for now
Can't see me changin' for a while

Hope I could make it back around
Baby, I just gotta let you go for now
Thought I could take it for a while
Maybe you'll make it back around
Baby, I just gotta live my life for now
Can't see me changin' for a while
Hope I could make it back around
If you were me, what would you do?
Always a lie and never the truth
Now as for me, I'm movin' on
You'll always be my baby
