

# Ashanti, Only U Remix

[SPOKEN INTRO]

Ah, I just want you to know that throughout it all,  
It's only you that stuck behind me  
And for that, I thank you, I love you  
Ashanti

[HOOK]

Ooh, I can't wait to get next to you  
Oh, I just can't leave you alone

[VERSE 1]

Boy you got me doing things that I would never do  
And I can't stop the way I'm feeling if I wanted to  
I'm crazy 'bout the way that you could make me say your name  
And if I couldn't have you, I would probably go insane

[CHORUS]

Only you can make me feel (Only you can make me feel)  
And only you can take me there (Only you can take me there)  
And only you can make me feel (Only you, only you can make me feel)  
And only you can take me there (Only you can take me there)

[HOOK]

[VERSE 2]

Boy you stay inside my mind there ain't no denying that (denying that)  
And only you can do them things that got me coming back  
It's got to be the realest thing that I have ever felt  
And I'll do what I got to do to keep you to myself

[CHORUS]

[BRIDGE]

Crazy 'bout the way you feel  
I just gotta have you here  
And I wanna let you know  
I won't ever let you go

[CHORUS]
