

Ashanti, Oooh Ahhh

Ooh ahhh ooh

It was in the way you grabbed my waist
Looked into my face and told you I was only yours
Already knew dat I had felt for you givin' myself to you
I kinda want a little more
See I don't what you did but I like it
And how it is I don't know if it's right
I don't care if it's wrong
I don't know if its love
But I can't get enough

Oooh ahhh ooh (you're just what I need tonight)
Oooh ahhh ooh (you're just what I need tonight)

I always want to be alone with you
No matter what we do
It's something that I'm gonna love
Even when I am on the phone with you I pretend I'm holdin' you
I'm fiending for you more and more
See now I know what you did
Gentle kiss with your lips
Now I know how I feel

What I'm feelin' is real
I just need you to know that you makin' me go

Oooh ahhh ooh (you're just what I need tonight)
Oooh ahhh ooh (you're just what I need tonight)

Boy u got me just where I been dreamin', fiending for your lovin'
I have never met no one to take me and make me feel like u do

Oooh ahhh ooh (you're just what I need tonight)
Oooh ahhh ooh (you're just what I need tonight)
Oooh ahh ohh (you're just what I need tonight)
Oooh ahhh ooh (you're just what I need tonight)
Boy you got me just where I been dreamin' feenin' for your lovin'
I have never met no one to take me and make me feel like you do

Oooh ahhh ooh (you're just what I need tonight)
Oooh ahhh ooh (you're just what I need tonight)
Oooh ahhh ooh (you're just what I need tonight)
Oooh ahhh ooh (you're just what I need tonight)
