

Ashanti, Rain On Me

Mmm...mmm...mmm...mmm...
Mmm...mmm...mmm...mmm...
Mmm...mmm...mmm...mmm...mmm...
Im lookin in the mirror
At this woman down and out
Shes internally dyin
I know this was not what loves about
I dont wanna be this woman
The second time around
Cause Im wakin up screamin, no longer believin
That Im gonna be around
And over and over I tried
Yet over and over you lied
Gettin over and over my pride, yeah
I dont know why
And over and over I tried
Yet over and over you lied
Gettin over and over my pride, yeah
I dont know why
Rain on me
Lord, wont you take this pain from me
I dont wanna live, I dont wanna breathe
Baby, just rain on me
Lord, wont you take this pain from me
I dont wanna live, I dont wanna breathe, no
See, I dont want to hold my pillow late at night no
more
Im tossin and turnin and thinkin bout burnin
down these walls
I-I dont wanna fuel this fire no more, no more, no
more
See, I made up my mind cause Ive wasted my time
Aint nothin here to keep me warm
And over and over I tried
Yet over and over you lied
Gettin over and over my pride, yeah
I dont know why
And over and over I tried
Yet over and over you lied
Gettin over and over my pride, yeah
I cried, I cried, I cried, I cried, I cried
Oh...oh...oh...oh...
Rain on me
Lord, wont you take this pain from me
I dont wanna live, I dont wanna breathe
Baby, just rain on me
Lord, wont you take this pain from me
I dont wanna live, I dont wanna breathe, no
Im so tired of the rain
In my life
And Im so tired of the strain
And now youre gonna lie
Cause sometimes I cant sleep at night and
This here it just dont seem right and
Sometimes I just wonder why I
Dont know, let my life go by
Cause sometimes I cant sleep at night and
This here it just dont seem right and
Sometimes I just wonder why I
Dont know, let my life go by
Oh...oh...oh...oh...oh...oh...
Rain on me
Lord, wont you take this pain from me
I dont wanna live, I dont wanna breathe

Baby, just rain on me
Lord, wont you take this pain from me
I dont wanna live, I dont wanna breathe, no
Rain on me
Lord, wont you take this pain from me
I dont wanna live, I dont wanna breathe
Baby, just rain on me
Lord, wont you take this pain from me
I dont wanna live, I dont wanna breathe, no
Ooh...ooh...
Ooh...ooh...
La-la-la-la-la-la-la
La-la-la...
La-la-la-la-la-la
Ooh...ooh...ooh...
