

# Ashanti, Rain On Me Remix

[Intro: Ashanti]

Yeah

Murder Inc.

We invite you to: epic, ya know?

We make music out of a sense of hunger

Sort of a desire

Through that desire

We expose the pain and struggle

But we accustom to live it

So, we feel without this music, we have nothing

So we offer you, well: we offer you our lives

So how you gon' take it?

[Verse 1: Ashanti]

See everybody wanna rise to the top these days

(Top these days)

A lot of people might come and try to take your place

(Take your place)

Oh you know that

All you gotta do is keep rising, rising

Don't look back and keep shining, shining

I had a little struggle

I had a little pain

Now make it rain, make it rain, make it rain

[Verse: 2 Rap Charli Baltimore]

[Chorus:]

Rain on me (rain on me)

Lord wont you take this

Pain from me

I don't wanna live

I don't wanna breath till you just

Rain on me (rain on me)

Lord wont you take this

Pain from me

I don't wanna live

I don't wanna breath yeah

[Verse 2: Ashanti]

I stop and think how life could be so raw

(Be so raw)

Sometimes I just don't wanna fight no more

(Fight no more)

Oh you know just

All you gotta do is keep rising, rising

Don't look back and keep shining, shining

I had a little struggle

I had a little pain

Now make it rain, make it rain, make it rain

[Rap]

[Chorus:]

Rain on me (rain on me)

Lord wont you take this

Pain from me

I don't wanna live

I don't wanna breath till you just

Rain on me (rain on me)

Lord wont you take this

Pain from me

I don't wanna live  
I don't wanna breath yeah

[Verse 3: Rap Ja Rule]
