Can you rock with me  
(Aww baby)  
Non-stop with me  
Can you take it to the top with me  
I just wanna love you babe  
(Love ya babe)  
Always thinking of you babe  
Can you roll with me  
(Ooh baby)  
All over me  
Can you take control of me  
I just wanna love you baby  
Always thinking of you baby  
I think I like how your body feel next to me  
Aww baby, when you kissing me  
Aww baby, when you loving me  
I can't describe what I want to do to you tonight  
Aww baby, when you come to me  
I'll make it so you'll never leave  
Can you rock with me  
(Aww baby)  
Non-stop with me  
(Stop with me)  
Can you take it to the top with me  
I just wanna love you babe  
(Love ya babe)  
Always thinking of you babe
