

Ashanti, Satisfy

Oooohhhhh

Can you satisfy me now, can you make it alright
Can you take me to the top, can you blow my mind
And if not imma tell you im not feelin ya flo
Cause your incapable and imma let you go
Can you satisfy me now, can you make it alright
Can you take me to the top, can you blow my mind
And if not imma tell you im not feelin ya flo
Cause your incapable and imma let you go

Let me tell you how i like it babe
If we're all in the crowd i like to be the one that sing aloud
Let me tell you how to please me babe

Can you get it crunk crunk and make my body jump jump jump
Do you think that you can handle a girl like me
Yeah yeah yeah yeah yeah

If you can take it then you are the man i want you to be
Yeah yeah yeah yeah yeah

Let me know who makes it hot boy just show me what youve got
Time and time i fantasise i just gotta be satisfied (satisfied)
If you cant reply then my status showed as classified (classified)

Can you satisfy me now, can you make it alright
Can you take me to the top, can you blow my mind
And if not imma tell you im not feelin ya flo
Cause your incapable and imma let you go
Can you satisfy me now, can you make it alright
Can you take me to the top, can you blow my mind
And if not imma tell you im not feelin ya flo
Cause your incapable and imma let you go

Everybody wanna talk about game
If i wanna know who can rock it in the fast lane
And everybody wanna brag about ??

About the bentleys, the ?? and the platinum rings
Do you think you gotta tighter kinda game for me
Yeah yeah yeah yeah yeah

Cause if you got it then you are the man i want you to be
Yeah yeah yeah yeah yeah

Let me know who makes it hot boy just show me what youve got
Time and time i fantasise i just gotta be satisfied (satisfied)
If you cant reply then my status showed as classified (classified)

Can you satisfy me now, can you make it alright
Can you take me to the top, can you blow my mind
And if not imma tell you im not feelin ya flo
Cause your incapable and imma let you go
Can you satisfy me now, can you make it alright
Can you take me to the top, can you blow my mind
And if not imma tell you im not feelin ya flo
Cause your incapable and imma let you go

Can you satisfy me now can you make it alright
Can you take me to the top can ya blow my mind
And if not imma tell you im not feelin ya flo
Cause your incapable and imma let you go

[chorus repeated]
