

# Ashanti, Turn It Up

(feat. Ja Rule)

[Chorus: Ashanti and Irv Gotti]

[Ashanti:] We're gonna party through the night ([Irv Gotti:] TURN IT UP!).

[Ashanti:] Don't you wanna drink and dance tonight ([Irv Gotti:] OH!)?

[Ashanti:] Don't try to be too cute tonight ([Irv Gotti:] GOTTA LOOSEN UP!).

[Ashanti:] Let the beat drop, and make ya feel (AHHH SO GOOD!)

[Verse 1: Ashanti]

I got the finest thang,

That thang to make me feel good tonight, ohh so good tonight.

Got my girls with me, we goin' tear down this thing tonight,

Down this thing tonight!!!

[Bridge: Ashanti and Irv Gotti]

All my ladies lookin' hot, to death and swingin'

Everything right to left.

And everybody in the place has got that look upon their face

Like all I wanna do is party,

Let that sweat drip off my body.

So here's what I'll do.. ([Irv Gotti:] TURN IT UP!).

[Chorus: Ashanti and Irv Gotti]

[Ashanti:] We're gonna party through the night ([Irv Gotti:] TURN IT UP!).

[Ashanti:] Don't you wanna drink and dance tonight ([Irv Gotti:] OH!)?

[Verse 2: Ashanti and Irv Gotti]

I just feel like I, could float all the way up to the sky ([Irv Gotti:] OH!),

And come back feeling right ([Irv Gotti:] OH, OH, OH!)

Now this is something I usually don't do,

But I just might get wit you tonight, hey-hey.

[Bridge: Ashanti and Irv Gotti]

All my ladies lookin' hot, to death and swingin'

Everything right to left.

And everybody in the place has got that look upon their face

It gets just so hot in here, cool me down spray some OJ and Velvadir,

Over the rocks while the crowd is rockin'.

The rule and the ([Ashanti:] princess).

And everybody with a two step ([Ashanti:] get up dance),

And all my gangstas that don't dance ([Ashanti:] lean back).

Cause this is gangstafied, soon as I testify.

And any ladies that look cute tonight
