

Asher Roth, She Don't Want A Man

She don't want a man
She just wanna dance, let's dance
Quiet and confident, not a bit I'm the shit
Screamin' ow out loud, right now I'm the shit
Let 'em know, let it go, feelin' sexy, feelin' grown
I'll be sippin' on patron mixed with pineapple
As she looks up, spots me only for a sec
But in that moment our eyes lock
I swear that we had sex and in that tank top
Tight jeans, high heels, nice teeth
Oh, I think she likes me but but it be unlikely
Ain't lookin' for no man, man
Really just came to dance, dance
On the dance floor
Know you wanna really, really
On the dance floor
I just came to party, party
Ain't lookin' for romance, mance
Really just came to dance, dance
On the dance floor
Know you wanna really, really
On the dance floor
I just came to party, party
She don't want a man, man, man, man, man
She just wants to dance, dance, dance, dance, dance
She don't want a man, man
She just wants to dance on the dance floor
On the dance floor, on the dance floor
I see Boyder and ask him, yo can you take her fat friend?
He laughs and then digs in, hell yeah, I'll be your wing man
We two step, we groovin', we dancin', we movin'
The crowd weave through it, people gettin' real stupid
Check my breath and my sweat on my chest and my pits
Yeah, I'm fresh, supa fresh, I would do me in a sec
'Bout to get my dance on, so I put my hands on
And she frowns, turns around, with a look like
Ain't lookin' for no man, man
Really just came to dance, dance
On the dance floor
Know you wanna really, really
On the dance floor
I just came to party, party
Ain't lookin' for romance, mance
Really just came to dance, dance
On the dance floor
Know you wanna really, really
On the dance floor
I just came to party, party
She don't want a man, man, man, man, man
She just wants to dance, dance, dance, dance, dance
She don't want a man, man
She just wants to dance on the dance floor
On the dance floor, on the dance floor
Well, you need to cool down 'cause I'm way too hot
Too hot, too hot, too hot, too hot
Girl, you need to cool out 'cause you not
That hot, that hot, that hot, that hot, that hot
See I'm just tryin' to cool down 'cause I'm way
Too hot, too hot, too hot, too hot, too hot
Girl, you need to cool out 'cause you not that hot
I'm just playin', I'm just hatin', I know you way too hot
Ain't lookin' for no man, man
Really just came to dance, dance
On the dance floor

Know you wanna really really
On the dance floor
I just came to party, party
Ain't lookin' for romance, mance
Really just came to dance, dance
On the dance floor
Know you wanna really, really
On the dance floor
I just came to party, party
She don't want a man, man, man, man, man
She just wants to dance, dance, dance, dance, dance
She don't want a man, man
She just wants to dance on the dance floor
On the dance floor, on the dance floor
