

Ashlee Simpson, Can't Understand

You dont understand me.
you don't know who I am.
I dont care what you may call me
but I only need my heart,to guide me.

I lookin' for the path to hormony.
One day you'll see everything I am.
I dont know,
I dont care you dont care,
You dont understand
but mostly you cant understand me.

I dont know who you may be
all I know is you called me
and I called you.

Why don you care,
why dont share.

But you'll neva'
and you can'ttttttt understand meee,eeeeeee,mee,eeeeee
its it is meee.
