

# Ashlee Simpson Feat. Travis McCoy, Murder

They say I get away with murder, ahh  
I took a dose of your medicine  
You tell me to leave but I come back again  
I don't see what all the fuss is about 'cuz I'm okay  
Soon you will see that I got ability to get my ways  
So don't keep me in the dark 'cuz I'll find the light  
Find the light  
Don't keep me in the the dark 'cuz I'll find the light  
Don't, don't, don't  
I said, don't keep in the dark 'cuz I'll find the light  
Find the light  
Don't keep in the dark , don't keep in the dark  
I was alone until I found Johnny  
And he was a good boy until he got behind me  
No, she didn't, yes, she did  
I got a monkey on my back  
He helping me get it off, he helping me get it off, ooh  
I got a monkey on my back  
He helping me get it off, he helping me get it off  
So don't keep me in the dark 'cuz I'll find the light  
Find the light  
Don't keep me in the the dark 'cuz I'll find the light  
Don't, don't, don't  
I said, don't keep in the dark 'cuz I'll find the light  
Find the light  
Don't keep in the dark , don't keep in the dark  
Skeletons and all the bones in your closet  
Come out late at night and chase you around your room, room, room  
You gon' call, you can call me, you know you can trust me  
Without me you're headed to your doom, doom, doom

This kid's P.I.I., call me the whiz kid but not the F.B.I.  
I'm on your side, I'm not the I Spy  
You can go scot free, I'll be your alibi  
I'm your sunshine concubine  
You make it so easy for me to cry  
I'm your sunshine concubine  
My fears turn black in the moonlight  
I got a monkey on my back  
He helping me get it off, he helping me get it off, ooh  
I got a monkey on my back  
He helping me get it off  
I got a monkey on my back  
He helping me get it off, he helping me get it off  
I got a monkey on my back  
He helping me get it off  
So don't keep me in the dark 'cuz I'll find the light  
Find the light  
Don't keep me in the the dark 'cuz I'll find the light  
Don't, don't, don't  
I said, don't keep in the dark 'cuz I'll find the light  
Find the light  
Don't keep in the dark, don't keep in the dark  
I got away with it, I got away it, ahh  
I got away with it, I got away it  
They say I get away with murder, ah, ah, ah  
They say I get away with murder, ah, ah, ah  
They say I get away with murder, ah, ah, ah  
They say I get away with murder, ah, ah, ah  
They say that I get away with murder
