

# Ashlee Simpson, Follow You Wherever You Go

Um,  
Im callin theres no answer  
You wont answer the phone (ring-a-ling-a-ling)  
Your cell keeps going to the voice mail  
While I wait here in the cold (brrrrrrrrrrrr)  
Some call it stalkin', but not me  
Takes more then some handcuffs to stop me  
I know sometimes its rocky  
But well still make it through

You said you love me (No not really)  
You told me so (No not really)  
You got a crazy way to show it  
But you know its true

You know you love me (No not really)  
You care for me (No not really)  
If its not love then I must be psycho,  
And thats not so

Hey, you  
I know I got screws, loose  
Thanks to you  
I lost my marbles a long time ago-wo-wo-wo-wo  
Im just optimistic  
Few apples short of a picnic  
'Til you see were meant to be,  
Ill just follow you wherever you go

Mister man said he got a different supermodel knockin outside his door (knock, knock, knock)  
He dont know that I got her tied up in the back of my Range Ro - SHUT UP!  
I know you want me, shes just in the way  
Ill just tie her to the back and hit the highway  
full throtal, bye supermodel, hit the bottle,  
(glug glug AH)
