You can dress me up in diamonds

You can dress me up in dirt

You can throw me like a line men

I like it better when it hurts

I have waited here for you

I have waited

You make me wanna La La

In the kitchen, On the floor

I'll be your french maid

Where I'll meet you at the door

I'm like an alley cat

Drinkin' milk up, I want more

You make me wanna

You make me wanna.. scream

You can meet me on an aeroplane

Or in the back of a bus

You can throw me like a boom-a-rang

I'll come back and beat you up

Ohh..

I have waited here for you

Dont keep me waiting

You make me wanna La La

In the kitchen, On the floor

I'll be your french maid

Where I'll meet you at the door

I'm like an alley cat

Drinkin' milk up, I want more

You make me wanna...

You make me wanna La La

In the kitchen, On the floor

Where I'll meet you at the door
