

Ashlee Simpson, Murder

I took a dose of your medicine,
I don't see what all the fuss is about,
'Cause i'm okay.
Soon you will see that I got the ability
To get my way.

So dont keep me in the dark
'Cause i'll find the light.
(Don't, don't, don't)
I said don't keep me in the dark
Because i'll find the light.

I was alone til I found Johnny
And he was a good boy
til he called me honey.
(No she didn't,
Yes she did)
I got a monkey on my back
He helpin' me get it off
He helpin' me get it off

So don't keep me in the dark
'Cause I'll find the light
(Find the light)
So don't keep me the the dark

'Cause I'll find the light
(Find the light)
Don't keep me the dark
Don't keep me the dark

(Rap interlude)

You make it so easy for me to cry
I'm your sunshine concubine

I got a monkey on my back
He helpin' me get it off
x3

So don't keep in the dark,
'Cause i'll find the light
x3

I got away with it
I got away with it

They say I get away with murder
They say I get away with murder
They say I get away with murder
They say I get away with murder
