Ashlee Simpson

Miscellaneous

No clue

YOu left me all alone

Stranded in the dark

Left me with out telling me where to go from here

I had no clue that you would do this to me

i loved you with all of my heart

Just tell me Why!!

Why couldn't you tell me earlier than this!

i had no clue that you would do this to me

after all that we've been thru

Baby i loved you

Why would you do this to me!

Baby please come back to me!!!!

I had no clue, had no clue that you would do this to me.

just tell me why!

WHy would you do this to me

Tell me baby why!!!

I had no clue that you were like that

Move outta my way, move! Get outta my way

I loved you, but now i hate you

Why'd ya have to go do that to me

Comin back late, smelling like perfume

Why did you have to do that to me!?

I had no clue that you would do this to me

SO bye bye, baby

(end of song)
