

# Ashlee Simpson, Rule Breaker

Oh, excuse me, but uh, is this thing on?

I got a boyfriend, he likes to fight a lot  
We got a lot in common and he thinks I'm fucking hot  
We like to break rules, both got tattoos  
We came to smash things and we like to scream, man!

Ah!  
You don't want no problems  
You ain't got no beef  
Ah!  
You don't want no problems  
You don't want no beef

I don't wanna fight, tonight  
(Hey, hey!)  
But I ain't goin' home for no one  
I don't wanna fight, tonight  
(Hey, hey!)  
But I ain't goin' home for no one

I just wanna color outside the lines  
I've been reprimanded 'bout a thousand times  
I'm a rule breaker  
You know that I'm a  
Rule breaker

S-s-s-s-some say I'm a black sheep  
No, I'm not gon sleep late  
Up around three o'clock, drinkin til my tummy full  
You think I'm a rebel, sweet-talkin makin trouble  
Get here on the double fore I break a little somethin down

Ah!  
You you you you don't want no problems  
You ain't got no beef, no!  
Ah!  
You better keep quiet if you want your teeth!

I don't wanna fight, tonight  
(Hey, hey!)  
But I ain't goin' home for no one  
I don't wanna fight, tonight  
(Hey, hey!)  
But I ain't goin' home for no one

I just wanna color outside the lines  
I've been reprimanded 'bout a thousand times  
I'm a rule breaker  
You know that I'm a  
Rule breaker

I know you are but what am I

I'm daddy's little girl  
Bundle of kisses  
I'm just a princess  
Little miss perfect  
Everyone loves that  
But that's another day  
There's rules to break, yeah!

I don't wanna fight, tonight  
(Hey, hey!)

But I ain't goin' home for no one  
I don't wanna fight, tonight  
(Hey, hey!)  
But I ain't goin' home for no one

I don't wanna fight, tonight  
(Hey, hey!)  
But I ain't goin' home for no one  
(I ain't goin' home for you!)  
I don't wanna fight, tonight  
(Hey, hey!)  
But I ain't goin' home for no one (No one!)

I know the grass is greener on the other side  
You don't want know problems you ain't got no beef  
I know they told you that you thought this pretty face  
You don't want know problems you ain't got no beef

You, you, you, you don't want no problems,  
You ain't got no beef!  
Yo, motherfucker, why'd you stop the music?
