

Ashley Allen, Let's Go

Let's go

I wanna to travel up to Mars
I wanna to drive in fancy cars
I wanna, I wanna, I wanna, I wanna
I wanna scream and lose my voice
Lock the door and making noise
I'm gonna, gonna, gonna, gonna.

I wanna lose my mind,
Take her real high, take her real high.
I wanna lose my mind

So let's go,
Hurry up and get your ass is on the floor
Just when you think we've had enough
Want more, don't let me catch you're getting crazy, let's go!
Baby baby, let's go, let's go!

Come on, come on let's go!
Come on, come on!

I wanna come here over doubts
Stay away for fifty hours,
I wanna, wanna, wanna, wanna
We get in clinically say
Won't you to show my name,
You're gonna, gonna, gonna, gonna
I wanna lose my mind,
Take her real high, take her real high.
I wanna lose my mind

So let's go,
Hurry up and get your ass is on the floor
Just when you think we've had enough
Want more, don't let me catch you're getting crazy, let's go!
Baby baby, let's go, let's go!

Turn it up and make her base go go,
So they can hear us now they clear upon the moon,
I wanna see you getting crazy let's go,
Baby baby let's go, let's go!
Come on, come on let's go!

I wanna lose my mind,
Again and again and again and again
So lets turn back time
'cause we can, 'cause we can, 'cause we can
So lets go baby baby let's go
lets go baby baby let's go
lets go baby baby let's go!

So let's go,
Hurry up and get your ass is on the floor
Just when you think we've had enough
Want more, don't let me catch you're getting crazy, let's go!

Baby baby, let's go, let's go!

Lets go, come on baby, oh oh oh!
Lets go, come on baby, oh oh oh!
Lets go!
