

Ashley Ballard, It Was You

When I think, of what I've been through,
I can see that you've always been there for me
To tell the truth don't know what I'd do
Without you, half of my dreams would not come true

You are the one
That I have hoped for
Now my life
Means so much more
Now we can be
Together Forever
Just you and me
Me here for you,
You're here for me

It was you,
Who showed me I got a friend in you
I always knew,
That you'd be right here for me,
and it was you
who stopped with me
when the skies were blue
and it was you,
who stayed by my side
It was you

Since the day
you came in my life
I knew then,
that you'd be someone,
right by my side
then you prove,
your a friend to me
In my heart, where ever, you will always be

You are the one
That I have hoped for
Now my life
Means so much more
Now we can be
Together Forever
Just you and me
There for each other

And I knew it was you

It was you,
Who showed me I got a friend in you
I always knew,
That you'd be right here for me,
and it was you
who stopped with me
the skies were blue
and it was you,
who stayed by my side
It was you

(Repeat)

It was you who was always right by my side
When I just can't do it
You help me through it
We're friends forever like best friends should be
You'll always be a special part of me

And It was you,
Who showed me I got a friend in you
I always knew,
That you'd be right here for me,
and it was you
who stopped with me
the skies were blue
and it was you,
who stayed by my side
It was you

It was you
who showed me I got a friend I always knew
That you'd be right there
And it was you
who stopped with me when skies were blue
And it was you
I know that I can count on you

Oh It was you
Who showed me I got a friend in you
I always knew,
That you'd be right here for me,
and it was you
who stopped with me
the skies were blue
and it was you,
who stayed by my side,
It was you

You are a friend to me,
It was you
