

# Ashley Ballard, S. Pennington

Oh baby,  
You ruined my life (la la la la la),  
You've (you've),  
Gotta understand,  
'cause where are we gonna land.

Chorus  
Shervaun,  
My little Shervaun,  
I never knew,  
That you're surname's Pennington.

Bridge: Now I've never knew,  
That you,  
Have now gone,  
With someone else,  
Now I see,  
That we are not meant to be,

Lil' Matthews:  
La La La La La,  
So now you've grown,  
Gotta place of you're own,  
And you're in love,  
You're in peace like a dove,  
What'cha gonna do when he's not around,  
You don't even hear a sound,  
Now Lil' Matthews outta bounds, yo.

Chorus  
Shervaun(now baby),  
My little Shervaun (oh oh oh oh),  
I never knew,  
That you're surname's Pennington.
