

# Ashley Gearing, Can You Hear Me When I Talk To You

Time passes by so quickly  
But I guess I thought you'd be here forever  
I never even had the chance  
To say goodbye  
There's so many things to tell you  
Left unsaid until now

Can you hear me when I talk to you  
Do the words I say ever make it through  
Can you hear me when I talk to you  
Cause I'd give anything if I just knew

Every night I have the same dream  
The one where you get to hug me  
We laugh an' talk until the morning  
An' then you vanish  
It always leaves me feeling helpless  
When I wake up an' you're not there

Can you hear me when I talk to you  
Do you know how much I'd love to be with you  
Can you hear me when I talk to you  
Cause I'd give anything if I just knew

Living in this world without you  
I constantly search through my mem'ries  
Hoping that I find some treasures  
That I passed over  
All that I took for granted  
Means so much now an' I won't let it go

Can you hear me when I talk to you  
Cause I never said somer things that I meant to  
Can you hear me when I talk to you  
Cause I'd give anything if I just knew

You know I never said some things that I meant to  
Can you hear me when I talk to you  
Cause I'd give anything if I just knew

I miss you Daddy
